

Name: _____

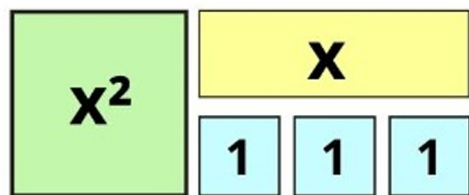

Date: _____

Instructions: Match the algebraic expression with its tile arrangement by joining the dots of column A with column B. Use the hint box to understand how the tiles are arranged for an expression. One is done for you.

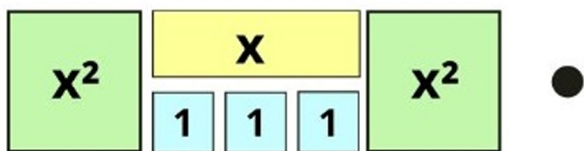

Hint: $x^2 + x + 5 \rightarrow$

Column A

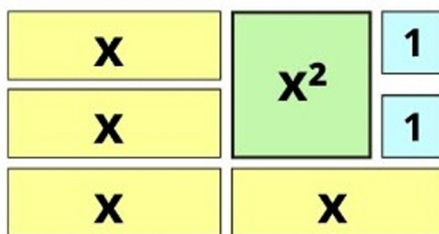

$2x^2 + 2x$ ●

$2x^2 + 2x + 4$ ●

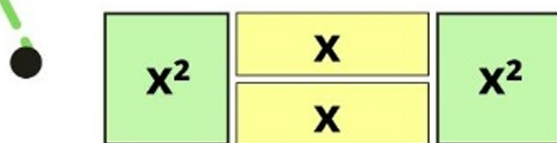

$x^2 + 2x$ ●

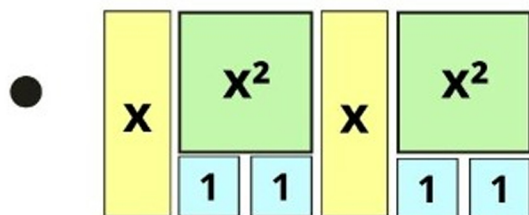

Column B

● $2x^2 + x + 3$

● $x^2 + 4x + 2$

● $x^2 + x + 3$
